Accountability, Climate, Equity, and Scholarship (ACES) Fellows Program 2020 Application for the College of Geosciences at Texas A&M University

Texas A&M University's ACES Fellows Program is administered by the [Office for Diversity](#) in partnership with the [College of Geosciences](#). We invite applications from scholars whose work aligns with a field or department in the Geosciences and demonstrates strength in, and evidence of, respect for diversity and inclusion. Applicants' doctoral degrees should be completed between January 1, 2017 and July 1, 2021. More information about the ACES Fellows Program can be found [here](#).

Applications are due by **9 am on October 1, 2020**. Your progress on the application will be saved as you work, so you can close the window and return to the application as long as you use the same internet browser and the same computer when you return to complete and submit your application. The following information is required for review:

- Cover letter (1-3 pages)
- Proposal of scholarly project(s) (3-5 pages) that will be conducted during the fellowship years
- Statement (1-3 pages) explaining how your scholarship, teaching, and/or other experiences have demonstrated a commitment to diversity and how that commitment may benefit Texas A&M University
- One writing sample (e.g., book chapter, chapter from your dissertation, journal article, work under review, or work in progress)
- Contact information for three references including name, title, and contact information -- Please do not include your letters of reference with your application materials. The Office for Diversity will ask you for your letters if your application advances through the review process.

Please email ACES@tamu.edu if you have any questions related to eligibility, technical issues with the application, or program details.

Your contact information:

Full name:	<input type="text"/>
Last name:	<input type="text"/>
Email:	<input type="text"/>
Phone number:	<input type="text"/>
Street address:	<input type="text"/>
City, state, zip code:	<input type="text"/>
Country:	<input type="text"/>
Doctoral-granting institution:	<input type="text"/>

Please indicate which department(s), in Texas A&M University's College of Geosciences, you would like your application submitted to:

- [Atmospheric Sciences](#)
- [Geography](#)
- [Geology & Geophysics](#)
- [Oceanography](#)

Please attach your cover letter (PDF):

Name the PDF of your cover letter: << 1LastName-FirstName_letter.pdf>>

Name the PDF of your references: << 6LastName-FirstName_references.pdf>>

Texas A&M University is committed to enriching the learning and working environment for all visitors, students, faculty, and staff by promoting a culture that embraces inclusion, diversity, equity, and accountability. Diverse perspectives, talents, and identities are vital to accomplishing our mission and living our core values.

Texas A&M University is an Equal Opportunity/Affirmative Action/Veterans/Disability employer committed to building a culturally diverse educational environment. Applications from women, minorities, and members of other underrepresented groups are strongly encouraged and will be actively sought. The University is aware that attracting and retaining exceptional faculty often depends on meeting the needs of two careers and therefore implements policies that contribute to work-life balance.
