Preface: As our Texas A&M community adapts to this new environment of learning, teaching, working, and connecting virtually, it is imperative that our Diversity Plan goals of accountability, campus climate, and equity remain at the forefront of all our decisions. To put a finer point on the issue, particularly in times of crisis, we must ensure that all existing and planned policies, operations, procedures, and major plans for organizational change continue to be pursued with careful attention to their impact on our diversity, inclusion, and accessibility goals.

For the 2020-2021 Diversity Plan Accountability Report, the Office for Diversity is balancing the need to track and collect longitudinal data and narratives with the need to understand current, and sometimes unique, challenges and strategies presented by social distancing and the pandemic. Please use the 2020-2021 Diversity Plan Accountability Report as a tool to document and share your unit’s strategies, plans, challenges, and successes advancing diversity, inclusion, and accessibility in 2020.

Instructions: The purpose of this report is to assess the continuing progress towards diversity and inclusion at the college and division-level. Please review your unit’s strategic plans, diversity plans, and assessment plans for goals, data-informed actions, and strategies addressing diversity, recruitment, retention, campus climate, and equity. Where appropriate, use specific examples from individual departments in your unit to provide evidence for your narrative regarding progress towards Texas A&M University’s Diversity Plan goals: Accountability, Campus Climate, and Equity.

Formatting: Use portrait orientation and 12-point font or larger for the narrative, tables, and figures. Word limits are provided for each of the six sections. Please note: References, graphics, footnotes, and tables for demographic data are not included in the word count.
